

U.S.S.N. 10/022,147

-5-

SBC 0112 PA (A00432)

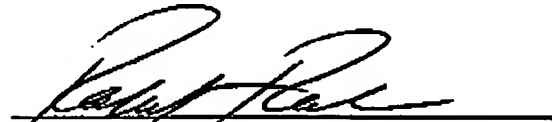

**REMARKS**

Claims 1-22 are pending in the application. By this amendment, claims 1-13 have been cancelled and claims 14-22 have been amended. Specifically, claims 14-22 have been amended to correct several typographical errors and antecedent basis problems noted in the Office Action at paragraphs 1 and 3. Claims 14-22 also stand rejected under the judicially created doctrine of obviousness-type doubling patenting in view of claims 1-13 of U.S. Patent No. 6,366,571. Accordingly, Applicants submit a Terminal Disclaimer herewith to overcome the rejection based on non-statutory double patenting.

Having overcome all of the objections and rejections, the Applicants submit that claims 14-22 and, indeed, the entire application is in a condition for allowance. A Notice of Allowance indicating the same is therefore earnestly solicited. The Examiner is invited to telephone the Applicants' undersigned attorney at (248) 223-9500 if any unresolved matters remain.

Respectfully Submitted,

**ARTZ & ARTZ P.C.**
